

Commercial Pump **SE SERIES**

FOR HEAVY DUTY APPLICATIONS

EFFICIENCY UP TO 89%

For fresh water commercial pools

Product Features

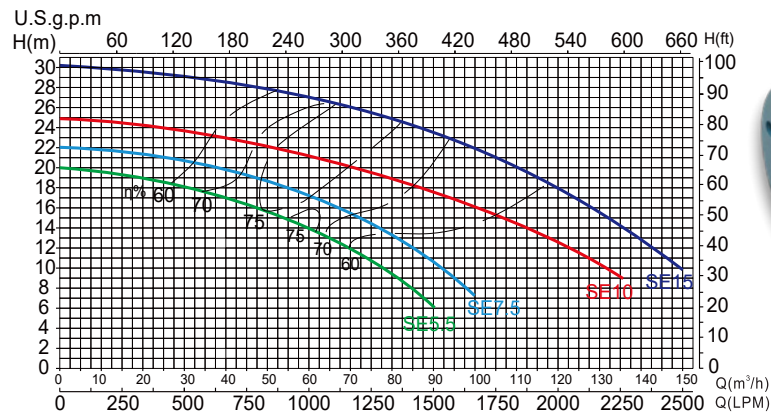

1. Cast iron body with AISI-304 stainless basket
2. Optional AISI-304 stainless steel or cast iron impellers depending on requirement.
3. Asynchronous, two-pole motor
4. Motor Insulation Class B
5. IPX5 Waterproof
6. Available in 400V/50Hz
7. Testing Pressure 50PSI (3.5 Bar)
8. Basket Volume 5 litres

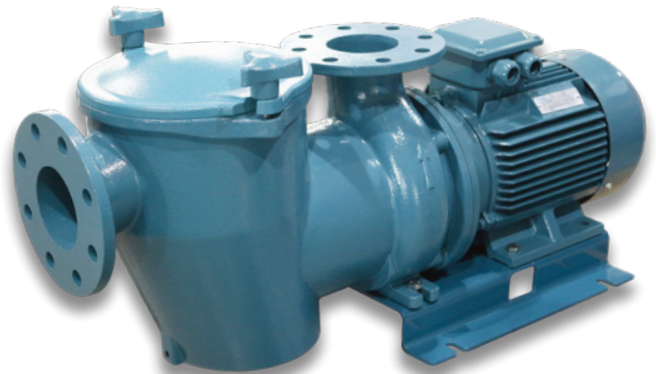

Pool & Spa Equipment

SE Series Commercial Pump

Technical Information:

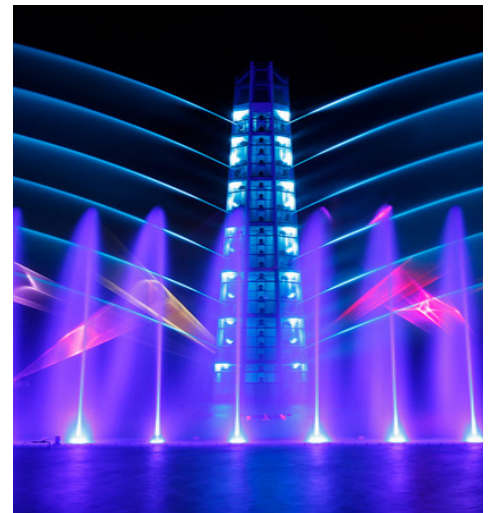

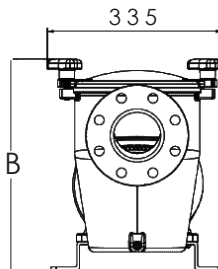

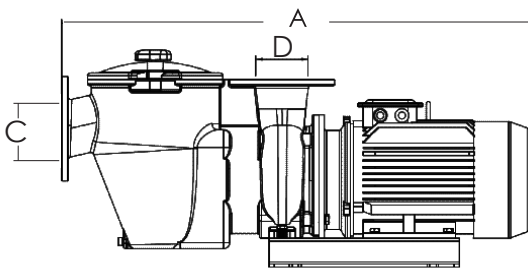

Remark: The performance curve above is for 50Hz, 2850rpm models

AISI-304 Stainless Steel Impeller

Product Information and Dimensions:

SE Commercial Pump is designed for large swimming pools, spa pools and water features
